

# Help Greenbelt Save Tompson Street Gateway

The places you love to explore don't happen by accident.

## The Opportunity

This 6.5-acre parcel on Bray Street in Gloucester will provide access to Essex County Greenbelt's 300-acre Tompson Street Reservation - home to miles of trails for mountain biking, hiking, trail running, and more. Greenbelt has until December 2011 to raise the needed funds to purchase the Gateway. Without your financial help this land will be developed and lost to use.

## Why Protecting the Gateway is Important

- Improved access, parking and signage on Bray Street
- An extension to miles of trails for outdoor adventures
- Habitat and river protection

## How to Help

Greenbelt has negotiated a \$220,000 purchase price with the current landowner. We have asked the City of Gloucester and the State of Massachusetts to help fund the project, but there is still a funding gap. WE NEED YOUR HELP TO SUCCEED.

**Make a Donation:** Use the form below or visit:

# Save the Tompson Street Gateway!

Greenbelt is the premier land conservation organization in our region, having conserved over 14,000 acres since 1961. We work with individuals, families, farmers and communities to protect local farmland, wildlife habitat and scenic landscapes.

Our success relies on the support and involvement of our members.

Join us today at [ecga.org](http://ecga.org).
