**NEW ENGLAND TRAIL BUILDERS SCHOOL REGISTRATION
Wendell State Forest, Wendell MA, May 17-18, 2008**

Dear Trail Enthusiast,

This weekend trail building school will offer in depth instruction on designing and caring for multi-use trails taught by experts from the New England Mountain Bike Association and the International Mountain Bike Association (Boulder, CO). It will focus on analyzing trails, determining trail problems and executing solutions. It will also focus on larger issue of trail system design and managing multi-use trails.

The school will begin promptly at 8:30am, Saturday, May 17th and continue until Sunday at 4pm. Primitive camping is available free of charge beginning Friday after 4pm, and there will be bike rides offered both Saturday and Sunday afternoon, depending upon weather conditions.

Please fill out this registration form and send in the registration fee of \$80 postmarked no later than May 1st. Space is limited so we urge you to submit the registration as soon as possible to reserve your spot. The tuition will include a variety of trail building manuals and include all meals, snacks and a Saturday evening social.

The course will offer both classroom and "hands-on" clinics in the field. In other words, be prepared to learn by doing and dress accordingly. Once you have registered, you will receive a syllabus, directions and more information about the event.
